

## **Curriculum Vitae**

**KORNILIA HATZINIKOLAOU, Ph.D.**

*E-mail: khatzinikolaou@nured.auth.gr*

### **Current Position**

- 27.02.2014 – today**      **Lecturer, School of Early Childhood Education, Faculty of Education, Aristotle University of Thessaloniki, Greece**
- 01.08.2007 – today**      **Developmental Psychologist, Department of Mental Health and Social Welfare, Institute of Child Health, Greece**

### **EDUCATION**

- Ph.D. in Psychology, Winnicott Research Unit, Department of Psychology, University of Reading, U.K. 2003.  
Thesis: *The development of Empathy and Sympathy in the first year* (Supervisors: Prof. Lynne Murray & Prof. Peter J. Cooper)
- BA Psychology, Department of Psychology, University of Crete, Greece, 1998.

### **FURTHER PROFESSIONAL TRAINING**

- Independent Practitioner, Video Interaction Guidance (VIG), associated to the AVIGuk.
- Supervisor Trainee, Video Interaction Guidance (VIG), associated to the AVIGuk

### **ACADEMIC HONOURS AND AWARDS**

- Postgraduate Scholarship, Onassis Foundation, 2000 – 2002.
- Postgraduate Scholarship, Winnicott Research Unit, School of Psychology, University of Reading, U.K., 1998-1999.

### **MEMBERSHIPS**

- Professional Licence as a Psychologist, Athens, Greece. 2003 – Association of Greek Psychologists
- Member of International Society on Early Intervention (ISEI)
- Member of the Board, Hellenic Society of Infant Mental Health (affiliated to WAIMH)

### **ACADEMIC/TEACHING EXPERIENCE**

#### **Graduate studies**

- Lecturer (Fixed-term contract), Department of Education, University of Thessaly, Volos, Greece, 03/2010 – 09/2010.  
Course: Developmental Psychology
- Scientific Collaborator, Department of Preschool Education, School of Health Professions, Technological Institute of Athens (T.E.I.), Athens, Greece, 09/2007 – 09/2009  
Course: Early Interactions
- Lecturer (Fixed-term contract), Department of Psychology, University of Crete, Rethymnon, Greece, 03/2007 – 08/2007

Courses: Educational Psychology and Developmental Psychopathology of Infancy

- Lecturer, Department of Psychology, Institute of Higher Education “Martha Falcão”, Manaus, Brazil, 2005 – 2006

Courses: Developmental Psychology, Motor Development in Infancy

- Lecturer, Department of Psychology, Lutheran University Centre of Manaus “ULBRA”, Manaus, Brazil, 2003 – 2006

Courses: Developmental Psychology, Developmental Psychopathology, Adult Psychopathology, Ethics in Psychology

### **Postgraduate studies**

- Scientific Collaborator, National Centre of Public Administration, Ministry of Internal Affairs, Athens, Greece, 07/2007 – 09/2010  
Course: Psychology and Group Dynamics.
- Scientific Collaborator, Special Education Program, Department of Education, University of Aegean, Rhodes, Greece, 03/2007 – 06/2007:  
Course: Curriculum and Didactic Methodology
- Scientific Collaborator, Clinical Psychology Program, Department of Psychology, Lutheran University Centre of Manaus “ULBRA”, Manaus, Brazil, 2005 – 2006  
Course: Developmental Psychology

### **WORK EXPERIENCE**

- Developmental Psychologist/Researcher, Department of Mental Health and Social Welfare, Institute of Child Health, Athens, Greece. 07/2007 – to present.
- President (volunteer) of Institute for Psychological, Social and Cultural Development “Ψ-polis”. 12/2007 – to present.
- Director of Research Centre for Human Development, Department of Psychology, Lutheran University Centre of Manaus, Amazonas State, Brazil. 2006
- Scientific Collaborator (volunteer) of the Centre for Research on Infant and Toddler Development, Department of Physical Education, Federal University of Amazonas. 2003 – 2006.

### **EXTERNAL RESEARCH FUNDING RECEIVED**

Sole contributor:

- European Commission: Project Proposal JUST/2011-2012/DAP/AG/3283 “Protecting infants and toddlers from domestic violence: Development of a diagnostic protocol for infant and toddler abuse and neglect and its implementation to public health system”. Starting Date: 1<sup>st</sup> December 2012. Coordinating Institution: Institute of Child Health. Scientific Coordinator: Kornilia Hatzinikolaou.
- European Commission: Project Proposal HOME/2012/ISEC7AG/4000004394 “Southeast Safe Net: Preventing child trafficking and protecting unaccompanied minors in Greek-Turkish Borders”. Starting date: End of 2013. Coordinating Institution: Institute of Child Health. Scientific Coordinator: Kornilia Hatzinikolaou

Collaborations:

- Member of Consortium, which prepared the research proposal “Reviewing social auditing practices to combat exploitative brokering in Southern Europe – RESAURSE”, funded by the European Union (ISEC). Starting Date: 1<sup>st</sup> June 2013. Coordinating Institution: University of Coimbra, Portugal. Greek National Scientific Coordinator: Kornilia Hatzinikolaou
- Member of a 3-person team, which prepared the research proposal “Balkan Epidemiological Study on Child Abuse and Neglect – BECAN”, funded by the European Union (FP7).

Coordinating Institution: Institute of Child Health. Scientific Coordinator: George Nikolaidis. 10/2009 - 12/2012

- Member of a 2-person team, which prepared the action-research proposal “Action-Research with children working in the streets”, that received funding by the Latsis Foundation. Coordinating Institution: University of Crete. Scientific Coordinator: Vassiliki Tsourtou. 02/2009 - 04/2010
- Member of a 2-person team, which prepared the research proposal “Indices of disability and limited capacity for self-care in the city of Manaus, Amazon State, Brazil”, that received funding by the Brazilian Ministry of Health. Coordinating Institution: Federal University of Amazonas. Scientific Coordinator: Kornilia Hatzinikolaou. 08/2004 - 08/2005
- Member of a 2-person team, which prepared the research proposal “Promoting social inclusion of children with special needs through education and sensitization activities with parents, educators, and health professionals”, that received funding from the Amazon State Foundation for Research Promotion. Coordinating Institution: Federal University of Amazonas. Scientific Coordinator: Margareth De Vasconcelos Monteiro. 11/2004 – 06/2006

## **RESEARCH EXPERIENCE**

- Scientific Coordinator: Project Proposal JUST/2011-2012/DAP/AG/3283 “Protecting infants and toddlers from domestic violence: Development of a diagnostic protocol for infant and toddler abuse and neglect and its implementation to public health system”. Funded under the DAPHNE Programme of the EU. Coordinating Institution: Institute of Child Health. 12/2013 – 02/02/2015.
- Scientific Coordinator: Project Proposal HOME/2012/ISEC7AG/4000004394 “Southeast Safe Net: Preventing child trafficking and protecting unaccompanied minors in Greek-Turkish Borders”. Coordinating Institution: Institute of Child Health. 12/2013 to present.
- National Scientific Coordinator: Project Proposal 2013-1-PT1-GRU06-16335 2 “Caregivers of children at risk – Education and Capacity Building”. Coordinating Institution: PROALV - Agencia Nacional do Programa "Aprendizagem ao Longo da Vida". 08/2013 – to present.
- National Scientific Coordinator: Project Proposal HOME/2012/ISEC/AG/THB/4000003932 “Reviewing social auditing practices to combat exploitative brokering in Southern Europe – ReSAurSE”. Funded under the programme Prevention of and Fight Against Crime – Targeted Call ISEC 2012 “Trafficking in Human Beings” (THB) Action Grants. Coordinating Institution: Universidade de Coimbra, Portugal. 06/2013 – 30/11/2014.
- Scientific Collaborator: «Balkan Epidemiological Study on Child Abuse and Neglect – BECAN”, funded by FP7 - SEVENTH FRAMEWORK PROGRAMME. Scientific coordinator: George Nikolaidis. Coordinating Institution: Institute of Child Health. 10/2009 – 03/2013.
- Scientific Collaborator: “Action-Research with children working in the streets”. Funded by Latsis Foundation. Scientific responsible: Vassiliki Tsourtou, Lecturer University of Crete. Coordinating institutions: Department of Philosophical and Social Studies, University of Crete, and Institute for Psychological, Social and Cultural Development “Ψ-polis”. 02/2009 – 04/2010.
- Scientific Collaborator: Research project «Investigation of the health needs of children’s population in the island of Fournoi, Ikaria”. Funded by the Ministry of Aegean. Scientific coordinator: N. Georgoudi, Coordinating institution: Institute of Child Health. 10/2008-present.
- Scientific Collaborator: «Promotion of health and quality of life: health education for controlling and preventing child abuse and neglect», Funded by E.U. Scientific coordinator: George Nikolaidis. Coordinating Institution: Institute of Child Health. 11/2007 – 12/2008.
- Scientific Collaborator: «Diagnosis of Developmental Coordination Disorder in primary school children in the city of Athens, Greece”. Scientific coordinator: D. Koutsouki and M. Monteiro. Coordinating institution: Physical Education Department, University of Athens. 02-09/2008.
- Scientific coordinator: Research project «Validation of Edinburg Postnatal Depression Scale for the population of Manaus, Amazon State, Brazil”. Funded by Lutheran University Centre of Manaus. 03/2005 – 12/2006

- Scientific coordinator: Epidemiological study «Indices of disability and limited capacity for self-care in the city of Manaus, Amazon State, Brazil». Funded by the Brazilian Ministry of Health and the Federal University of Amazonas. Project Leader: Margareth Monteiro. Coordinating Institution: Federal University of Amazonas. 08/2004 – 08/2005
- Member of scientific coordination team: Action-research program “Promoting social inclusion of children with special needs through education and sensitization activities with parents, educators, and health professionals”. Funded by the Amazon State Foundation for promoting Research. Coordinating Institution: Federal University of Amazonas. 11/2004 – 06/2006
- Member of scientific coordination team: Action-research program entitled “Interdisciplinary support to 2 to 5-year-old children with cerebral palsy and their families”. Funded by the Federal University of Amazonas. Coordinating Institution: Federal University of Amazonas. 11/2003 – 12/2005
